Partnership's Progress Monitoring – Final Report

Please complete the following questionnaire regarding the progress of your partnership project work plan during the last 4-5 months. Please be as concrete as possible.

- 1. Provide an updated status of the degree of compliance with the expected objectives. What stage have you reached? What outcomes have you reached? (i.e. proof of concept, research about materials, technology, design, business model to implement, etc.)**

- 2. What are the key activities you have completed during the last 4-5 months?**

- 3. Have you encountered any problem during the last 4-5 months? If so, please list them below along with the respective countermeasures.**
